### **DONATION**

The adoption fee ranges from \$200-\$450 for most adult dogs (decided on a case-by-case basis). This is to help defray the costs of spaying, neutering, transportation and shots for our dogs. All dogs are spayed or neutered, examined by a vet, given medical shots and treated for any medical condition they may have, prior to adoption. Donations above the adoption fee are always welcome!

Are these terms acceptable?      Yes      No

Please realize that dogs need veterinary care throughout their lives including yearly boosters, heartworm and flea/tick preventative medication, etc. Including food and grooming the cost of a small dog can start at \$400.00 a year and the cost of a large dog can start at \$700.00 a year. Remember that before you adopt, this is a lifelong commitment to the dog (8-15+ in human years).

Are these terms acceptable?      Yes      No

I certify that I have read the above Adoption Application and donation information. The completion of this application in no way guarantees the adoption of a dog from All Dog Rescue.
